Peace comes from accepting that we cannot and should not always be the alpha dog.

We are all born a star, the trick is to know it and then keep that as our anchor.

Nothing pure can manifest without our authenticity.

When we are in touch with our own divinity,
we automatically become an avatar.

Face it – beauty is an inside job.

There is nothing more nourishing and nurturing than a good bear hug.

Creating joy for others is likened to a bee creating honey.

Plans and people that bring us bliss are connected to our soul.

More often than not we need to be brave in order to blossom.

Bravo to those who strive to know.

When feeling blue–like the moon–get reflective and think of something soothing to do.

Like when a caterpillar becomes a butterfly, noticing anything ugly gives us the opportunity to transform it into something beautiful.

A relationship is only secured when we never feel we have to butter someone up.

Be like a canary – as it always senses when something unseen is wrong.

Whenever we are courageous, we become captain of our own life.

Do not look outside to find a champion, he or she lies within ourselves.

Charisma is our ability to spread hope, harmony and happiness.

www.humanityforhorses.org

Being charismatic takes good intention and should not be problematic.

Defeat comes as a result of confusion, victory comes as a result of clarity.

Living our full self-respect, now that's being classy!

Never underestimate the first cup of coffee in the morning – it awakens our soul by saying "Good Morning".

There is a big difference between being cozy or being nosy.

To think everyone is like a cupid,
is somewhat stupid.

With every dawn – a new opportunity rises with the sun.

When we commit to our soul's needs,
we ensure and protect our destiny.

It is wise to protect our karma, by using good dharma.

Giving transforms a dull life into a divine life.

Our divinity is connected to our integrity.

Doubt diminishes dreams – certainty empowers them.

No one ever said, or promised that life would be eeeeasy.

Be the first to speak the truth, regardless of popularity.

Freedom is being just as happy with Plan B – or even Plan C.

www.humanityforhorses.org

For a fresh start – it is wise to follow our heart.

Our ingenuity is empowered through our gentility.

www.humanityforhorses.org

God's Grandeur is a permanent state,
when grandiosity does not interfere.

Always saying the right thing is not proof of our goodwill.

When we are gracious,
our intelligence becomes more spacious.

Gratitude is indeed our best and boldest attitude.

Happiness is not the absence of challenges but the ability to handle them intelligently.

Harmony will always be the result when we join heart and money together.

www.humanityforhorses.org

Never doubt that our peace is activated when we honor ourselves and our purity is activated when we honor another.

For our hope to stay enlivened, we must never go where victory is not possible.

www.humanityforhorses.org

Our impeccability is truly our protection from all dark forces.

Our body is important for this lifetime, but our soul lasts us for infinity, so it behooves us to not betray it.

Emotional ingenuity keeps injuries and challenges at a distance.

To stay complete – our integrity must never be compromised.

As a lotus grows from a swamp, precious jewels can grow from our problems.

www.humanityforhorses.org

Never doubt that big or small, good or bad, our life creates a legacy – it will not and cannot be avoided.

Liberty and justice for all – let that be our individual call.

Let us embrace being a lighthouse for those who are lost in the sea of the darkness.

To constantly love courageously is to be a true lionheart.

Though love stems from innocence – it still requires intelligence to grow.

www.humanityforhorses.org

Let us never betray ourselves or another because without loyalty, nothing good can result.

Having a lucky charm is good – but being a lucky charm for someone less fortunate is great.

It seems the higher we go – the luckier we get – like a strike of lightening.

Magic happens when we Move Almighty Goodness Into Consciousness.

Mercy, compassion, and empathy are emotional triplets.

For miracles to happen – look beyond the obvious!

www.humanityforhorses.org

Showing motherly love can heal all the wounds of the world – as it affects Mother Earth herself.

Walking our talk leaves us feeling over the moon.

Reality is easier to endure when we maintain a good sense of humor.

To be a good mystic,
one must remain realistic.

Nirvana is not a place to be seen in heaven, it is an energy that can be felt here on this planet.

True nobility is not about rank, or what we have in the bank – It is the ability to be generous and frank.

To find our path – we must first know our purpose for being here.

www.humanityforhorses.org

Never underestimate that peace begins with making peace with ourselves, and those in our personal life.

There is always a pearl to be found in wisdom.

www.humanityforhorses.org

We all have it in us to be a pillar of strength – we must first believe it.

Practicality is not an option – in this world – it is a necessity.

Prosperity may open doors – but humility is what keeps them open.

Any fault recognized and dealt with keeps our purity intact.

For renewal to happen, we need to know that difficulties from our past are not meant to last.

Our resilience is sustained and maintained through our faith.

No relationship cannot endure without respect.

Reverence and respect are Siamese twins.

When our road gets rocky – it is not enlightened to get cocky!

www.humanityforhorses.org

Our good karma quickens our serenity.

Simplicity holds a power that few other merits can match.

Our sincerity ultimately awakens clarity and prosperity.

Better to be the light in the dark skies,
than wasting time cursing it.

Age is mind over matter, spirit could care less!

www.humanityforhorses.org

Caring and compassion are the sunrise for others on a darkened day.

www.humanityforhorses.org

Triumph can only happen when we give umph to trying.

Every moment we can decide to live utopia,
it is our free will choice.

Validity should come naturally,
without any rigidity.

Vigor comes from the depth of our convictions, more than the height of our logic.

Great warriorship is the combination of mental, emotional and spiritual self-integration.

To avoid a sin - always strive for win-win.

Feeling whole is our biggest win above all other things.
